In October 2008, the CBC launched a campaign to mobilize Canadians to commit "One Million Acts of Green" before June 2009. Using a highly interactive website that features dozens of Green Act suggestions, within just two months, Canadians have registered over half a million Acts of Green, representing a reduction of over 29,000 tonnes of greenhouse gas emissions!

EarthCare Sudbury is asking everyone in our network of Partners to make one (or more) of this year's resolutions an Act of Green.

Here's how:

! Go to www.onemillionactsofgreen.com and sign up.

! Choose the Acts of Green you intend to carry out from the suggestions provided - or submit your own.

! You can also join the EarthCare Sudbury Group. Your acts will then be recorded as part of the group, which will let us track the impact of our collective efforts. A search for "EarthCare Sudbury" will connect you with the Group.

“EAT LOCAL SUDBURY”

A new store opened on December 6, in the downtown area. 28 Durham St. is the home of “Eat Local Sudbury” It showcases local foods and other locally produced goods.

Let’s support Ontario-grown produce, and particularly our own local businesses and artisans.

Farewell to One of Our Members

Mary Glover, well-known for her Grandiflora roses that she exhibited at the Rose Shows, passed away on December 31. She will be missed by her many friends at the Hort Society.

Introducing Our Guest Speaker

Nancy Chamberlain, pictured below (on the left) with other instructors, has been a member of the Taoist Tai Chi Society of Canada for eight years. She is one of the two continuing instructors for seniors in both Lively (at the Trinity United Church) and in Sudbury (at 428 Westmount Ave., unit 3). We will see a demonstration of the basic movements, then have an opportunity to try a relaxing workout that should help with our overall well-being. Handouts will be available, but if you cannot attend on Sunday, call 688-0111 if you are interested in joining one of their classes.
